

SAUCE

Brothers Lido and Victor Russo have extended their Bacino coffee bars, opening a new outlet in Mount St, North Sydney (weekdays, 6am-5pm).

With a mission to produce real Italian-style espresso bars, they already have outlets in Dee Why and Manly and will open in Mona Vale after Christmas. They gutted the North Sydney space to create an authentic sidewalk bar.

The two men have a long track record in northern beaches outlets, opening Stella Blu, Dee Why; Red Zucchini cafe, Cremorne, and the Lido Bar, Sydney.
